BIOGRAPHY

I love learning, creativity, colors, nature and fun in my daily life  
Now that I have the moment, I rather be involve in things that I believe in them. I only live once so I try  
to love everyone I have in my life.

MY CAREER

i found my interest in graphic design in the 2020and my path of life inclined to this way.  
at first, i was looking for learning, then trying to creat and now i,m looking for myself in it.  
along with creating, i always keep learning and learning
